Our Company:

- ❖ Empowerment
- ❖ Integrity
- ❖ Teaching
- ❖ Excellence
- ❖ Partnerships

TDK OHS was established in 2014, with over 20 years' experience in the Health, Safety, Training and Occupational Medical Fitness Certification fields. Our extensive knowledge of legislation within the respective fields have serviced both the contractor and construction industries respectively with great success.

TDK OHS services are built around our clients' needs to comply with Health and Safety as well as direct compliance in terms of Service and Maintenance Agreements on Construction & Commercial sites. TDK OHS provides a fully integrated service:

- ❖ Assessment of Company Policies.
- ❖ Medical Examinations (both onsite and offsite).
- ❖ Compilation and updating of Site & Industry Safety Files to client specification.
- ❖ Attend site meetings on behalf of our clients.
- ❖ Accurate record keeping of training and renewal dates of certification.
- ❖ Advance notification of when these re-certifications should be attended to.
- ❖ Accurate record keeping of annual medical, renewal and exit certification. Advance notification of when these re-certification should be attended to.

TDK OHS is a dedicated service provider and as such will train your staff with valid certifications in place to assure that standards are up held and safety is maintained. We endeavour to put in place systems that is in line and exceed legislative requirements and standards, whilst empowering them with knowledge self-manage into the future.

TDK OHS brings together a team of talented, experienced and highly qualified professionals that allows us to provide an all-round integrated services to all our clients.

Our Mission

Our mission is to drive our service orientated business to a level of excellence as never experienced before. Our objective is to afford our clients the opportunity to experience Health, Safety, Training and Medical Fitness compliance as an advantage to their organisations and to implement a Health and Safety, Training and Medical Fitness compliance system tailor made for each individual client. In short to ensure that Health and Safety, Training and Medical Fitness compliance does not become a budget nightmare as it so often does at times.

Our Values

Our value is our clients and our services offered. We undertake to provide cost effective solutions and base our reputation and marketability on our ability to reach and strive for the best for all existing and potentially new clients. We value our clients, without our clients, we will not be able to grow and become uniquely different in the market. We aim to achieve excellence through the Value of our Clients and their businesses.

Our Vision

Our vision is to create a service orientated company that covers all Health and Safety Training and Medical Fitness needs for our clients, where we take away the mundane tasks and free up your time to concentrate on your business

What We Do

Our goal and specific objective is to provide a unique service to our clients. A service excellence so unique and affordable that our clients do not find Health, Safety, Training and Medical Compliance to be unobtainable.

Additional Baseline Medical Tests

Baseline Medicals consist of: Physical Examination, Keystone Vision Screening, Lung Function Test, Audiometric Tests. Blood Pressure, Glucose and Urine testing. Alcohol & Substance Abuse testing is available at the request of the clients and will be performed with the assistance of a qualified counsellor. HIV tests must be requested by the client in writing and approval obtained from the workers in the form of written consent. We provide our clients with all the legal documents for signatures required for approval.

Health and Safety File Management

TDK OHS Consulting (PTY) Ltd, compile Health & Safety Files from Inception at the point of specification receipt. All safety files are compiled in accordance to Site Specifications. We at the request of the Principal Contactor and/or our client will attend audits with or on behalf of our clients. We strive to achieve a pass rate for site commencement on first audit. Our skilled staff will assist with any changes, amendments or additions requested by the Principal Contractor. Safety is our passion and our client motivate and drive our passion.

Criminal Background Check

We provide criminal checks on request of our clients and will also provide the consent forms. Ensure that we receive a clear copy of the staff/worker's valid identity document and a signed consent form. The criminal background check will be processed and ready 2 days after submission to TDKOHS.
